

# CALLING ALL ARTISTS AND WRITERS!

We are very excited to have the opportunity to participate in an activity that will offer our students a peek into the world of publication! StudentsXpress Magazine is an online magazine that publishes original artwork and writing submissions from students. This is an amazing way for your student to be proud of their work, use their voice, be creative, and have something to add to their applications and resumes!

- Only student first name and last initial is published with student work, making it confidential. No pictures of the student or identifying information about the school or geographic location are requested, published, or indicated in the magazine.
- Find more information at: <https://studentsxpress.com/>
- Work may include short stories, poetry, artwork, pictures of artwork.

Thank you for allowing your child the opportunity to be published and see the value in their voice!
