

PRESENTS

StudentsXpress

Connecting Students Through Artwork, Writing and Social Emotional Learning

Your students will love seeing their writing and artwork published in StudentsXpress, the Respectful Ways digital publication. And you will love how easy it is to participate!

Join us for our Summer 2024 issue:

PUT YOUR HEART INTO IT

Our next issue of StudentsXpress Magazine will be about putting your whole heart and effort into something. Whether it's something you love to do—or something you have to get done, putting your heart into it will make the task a better experience.

Write about a time you put your whole heart into it (a project, a sport, a game, anything).
What did this feel like? What were the results?

When you don't feel like doing something, how do you motivate yourself
to put your whole heart into it?

Who do you know that is a good role model for always doing their best and trying their hardest?
How has this person inspired you to do the same?

Draw a picture of something you accomplished because you did something you loved
and you did your best.

Put your heart into a drawing that can inspire others to do their best.

HOW TO CONTRIBUTE

Turn in your student artwork or story submissions about
Putting Your Heart Into It to rachel@studentsxpress.com.

Submissions are due Friday, March 15, 2024.
